

Leave a Bequest

After providing for family and loved ones in your will, please consider improving children's lives in Ghana by making a bequest to the Ghana Relief Fund operated by AS4AK.

Your lawyer can advise you about the suitable wording for such a bequest, but we provide the following by way of example:

I *[insert your name]* give and bequeath unto the Ghana Relief Fund ABN 48 124 490 053 for its general purposes:

(use one or more of the following provisions)

- **The sum of \$ *[specify cash amount]***
- ***[insert percentage amount]* per cent of my total estate**
- **My personal property consisting of: *[specific description of property, shares, furniture, works of art etc]***
- **My Life Insurance Policy No. *[specify policy number]* in *[specify Company Name]***

free of all duties and taxes.

I declare that the receipt of the Chair, Secretary or other proper officer shall be sufficient discharge to my executor(s).

We would be very pleased to learn of your kind and generous decision to support the Ghana Relief Fund in your will. We can then thank you personally during your lifetime. Please let us know by contacting us at:
